

Agricultural Partners: Home Grown Support

Please consider gifting a portion of your harvest this year to the

Enderlin Area Community

Endowment Fund. It's an easy

way to support our area's permanent fund without having to open your checkbook. Plus, you don't have to claim the income from the sale and you can still deduct the cost of production for whatever you donate!

Simply fill out one of the donation cards here and give it to your broker, co-op, or elevator. They will take care of the rest and you will have made a difference, forever, in our community.

Thank you from all of us on the local committee!
